Organizer

SQS, Software Quality Systems organizes QA&TEST since the very beginning (2002).

SQS is the **leading provider** of software quality consultancy and testing services. Over recent years, they have witnessed how their customers improved the quality of their software developments while dramatically reducing the costs of correcting bugs and maintenance.

SQS was looking for a way to share their training expertise. In 2002 they were delighted to find a way to contribute their knowledge to you; QA&TEST, the International Conference on Software QA and Testing,

Since the first edition SQS is happy to **share** their **passion** with the international testing community.

Sponsor

Innovalia is a strategic alliance of innovative technological companies that allows the synergy of its members to be harnessed for the benefit of all. Since the first edition in 2002 Innovalia has supported QA&TEST.

QA&TEST Sponsor & Exhibitor Opportunities

Sponsorship is a professional method to confirm the **innovative image** of your company. By connecting your brand to the high quality of our conference, your brand awareness will increase and your brand image will **improve**.

Our organization developed different ways of sponsorship; **Sponsor, Exhibitor, Exhibitor Lite and Banner Stand**. Of course, we can also offer you a tailor-made solution, if these proposals don't fit on you plans.

If you are interested in one of the sponsor activities or you want your company at our **Exhibition** please contact us at +34 94 480 46 17.

The Conference

QA&TEST diffuses the latest technological developments in Software Testing and Quality Assurance, and shows successful **best practices**, which may give the visitor a **lead** in **global competition**.

QA&TEST® is a unique conference and bring together professionals and experts from different sectors such as: Railways, Aeronautics, Medical Systems, Energy Systems, Electronic Devices and Telecommunications.

QA&TEST® will take place on 17, 18 and 19 October in the beautiful city **Bilbao** at the Euskalduna Jauregia Conference Centre and Concert Hall.

QA&TEST® is for **decision-makers** such as Directors, Program Managers, Project Managers, as well as Testing Professionals who work in the field of Software Quality and Testing.

Because all of this we are proud to say that QA&TEST® is the **most important** international **conference** about testing technology, testing systems and testing methodology in Spain. We hope to give you a warm welcome in October.

QA&TEST; More Testing, more Quality, more Embedded.
